Company Overview

TRIVENI GROUP is an INDIAN based Manufacturer & Exporter located in DELHI. Since its establishment & significant experience of 20 years, our company has made a name for itself in the AGRO PRODUCT - De-Oiled Mustard Cake market .

The need for efficient animal feed brought the attention towards pressed oilseed cakes as an alternative to be used as a feed which is a by-product produced after the oil has been extracted. The consumption of edible oils in India has risen dramatically making it the second largest consumer after China.

Mustard cake is a rich source of protein, the utilization of the cake, viz. for agriculture, animal livestock and as a protein aceous resource for human consumption..

DIRECTOR'S MESSAGE

"We take this opportunity to thank our valued customers whose continued patronage and confidence in our products inspires us to extend the best of our services.

We, being a prominent name in the business segment, always wanted to push our company to more prosperous milestones. More than being a global player, we always perceived our company as a unit that could make a difference with its quality and competitively priced products.

We move ahead with the following values embedded in our working. "Innovate, Imbibe, Excel Shift the Paradigm..."
